

AGNES CATHERINE F. SUICO

No.15 ML Quezon St., Zone 6, South Signal Village, Taguig City
acfsuico@gmail.com

SUMMARY

Motivated Computer Science student from Adamson University seeking an internship to enhance my skills and gain hands-on experience in the tech industry. With a strong eagerness to learn and contribute, I aim to support organizational success while continuing to grow my technical expertise.

EDUCATION

Bachelor of Science in Computer Science Major in Data Science **Aug 2023 - Present**
Adamson University

PROJECTS

Likas (React, TypeScript, Node.js)
Full Stack Developer & Project Originator

- Conducted comparative analysis of Random Forest and XGBoost models for flood rescue priority classification
- Engineered features from flood hazard and population vulnerability datasets to support 3-class classification
- Evaluated machine learning performance to support disaster response planning.

Government Appointment Booking System (TypeScript, SQL, YAML)
UI/Frontend Developer

- Developed a web-based appointment booking platform for government services.
- Implemented appointment scheduling, user management, and record tracking functionalities.
- Improved efficiency of appointment requests through digital processing.

Data Science

- Power BI Dashboards: Built interactive dashboards for data analysis and reporting and created visualizations to identify trends and support decision-making.
- Machine Learning Workflows using Altair AI Studio: Designed and evaluated machine learning workflows and Applied data preparation, model training, and performance evaluation techniques.

SKILLS

Python	JavaScript/React/TypeScript	PHP
Machine Learning	SQL	Manual Testing (Test Case
Data Visualization	C#/ WinForms & OOP	Design, UAT, Test Planning)
		Detail Oriented

ADDITIONAL INFORMATION

- **Active School Club:** Head of Events and Programs, AWS Cloud Club - Adamson
 - Organized and orchestrated event programs, ensuring smooth flow from start to finish
 - Coordinated guest speakers and hosts, managing logistics and communication
 - Wrote and prepared event scripts to guide program execution
- **Certifications:**
 - IT Specialist – Databases (by Certiport) **Issued May 2025**
 - IT Specialist – Networking (by Certiport) **Issued May 2026**
 - Software Quality Assurance (Coursera, Adamson University) **Issued July 2026**
- **Awards/Activities:** 1st Place Winner in Ideathon, Recognized for Academic Service Learning (ASL), Consistent Dean’s Lister
